Why the Hunger Walk?

According to a September 2009 United Nations report, despite a record level of people suffering from hunger, food aid is at a 20-year low due to the poor global economy.

**The result:
More than 1 billion people
across the world will face
hunger this year.**

That's why.

Walk with us.

The 33rd Annual GRACE Hunger Walk

***The power of many...
Walking Together
Ending Hunger***

*The Grand Rapids Area Center for Ecumenism (GRACE) is called by God and by the church to be a Christian ecumenical organization which promotes Christian unity, interreligious cooperation and the well-being of the community and whose mission is ...
Creating a community of compassion and justice by organizing responses to human need and issues of faith.*

The 33rd Annual

GRACE Hunger Walk

In 1978, 740 walkers raised \$20,000 and walked 12 miles.

After 6 miles they were served a handful of rice and a cup of tea, signifying what many people receive for food in a day.

Over 8,000 households - nearly 25,000 people - are being served by the ACCESS Food Pantry Network of Kent County each month. Due to an increase in those new to the pantry system, we are serving 13% more people than last year. Michigan's unemployment rate is the highest in the nation. Currently, 1 in 5 Kent County children live below the poverty level.

ACCESS OF WEST MICHIGAN

"Our community cares about our neighbors and we need your support more than ever this year..."

UNITED CHURCH OUTREACH MINISTRY

"...it is a lot easier to deal with the crisis in my life when I know I have safe shelter, enough to eat, and people who care about me."

HOMELESS YOUTH, ARBOR CIRCLE

"For youth in crisis, consistent and healthy meals are often not a part of their lives. "

SENIOR MEALS PROGRAM

"In 2008, The Senior Meals Pantry served 2017 seniors over 23,000 meals."

SOUTH END COMMUNITY OUTREACH MINISTRY

"No one can escape the poverty maze while hungry. Hunger takes all of a person's energy. Hunger prevents people from looking for jobs. Hunger keeps children from being able to learn. Hunger tears families apart."
